

TAKES OPTION ON SITE FOR NEW GRADE SCHOOL

Lincoln-Way Teachers
Get \$200 Pay Raise;
Must Add to Faculty

Lincoln-Way high school teachers have been granted a pay increase of \$200 a year, effective next September.

This raise is across the board and so it brings the starting salary for a teacher with a bachelor's degree and no experience up to \$3,500 a year.

With this \$200 raise plus the increases called for in the salary schedule, those teachers renewing contracts will be assured of at least an additional \$350 next year and some will be getting \$400 more, it was explained.

It was expected that the contracts for the coming school year will be out tomorrow. The Lincoln-Way school board is holding a meeting tonight, recessed from its last regular session.

The board will also hire some additional teachers for next year, at least three and possibly four, according to Supt. A. Hunter Chapman.

Supt. Chapman explained that a net gain of between 70 and 80 is anticipated in the enrollment of the school next fall. There are 79 in the graduating class this year and the freshman class entering next fall is expected to total 150 or more.

Seventy or 80 additional students will necessitate the hiring of three or four more teachers, Supt. Chapman said.

He was at the University of Illinois last Friday to participate in the first Teacher-Placement Day program held there. The affair was arranged for the benefit of Illinois school executives desirous of obtaining teachers from this year's graduates from the U. of I. college of education.

There were approximately 100 schoolmen present. There were more school administrators looking for teachers, Supt. Chapman said, than there were prospective teachers looking for jobs. However, the Lincoln-Way school head has three good prospects for places on the faculty and expects to have others.

Men and women graduating from college this year were born for the most part in 1934. That was when the depression was going strong. The birthrate was down during the depression years with the result that the graduating classes now and for still several years to come are comparatively small. The number of graduates who intend to embark on teaching careers is only a small part of the total number of graduates. Reduce the number of graduates and you reduce the number of those who would become teachers, it was explained.

And while teachers are in short supply in general there is a particular shortage of those qualified to teach the sciences and mathematics, it was stated.

Valley View Farm
To Conduct Annual
Egg Hunt Sunday

There is to be an egg hunt on the grounds surrounding the Valley View Farm restaurant on Easter Sunday, beginning at 11 a.m.

All of the eggs will be concealed within a radius of 500 feet but none will be hidden in any of the buildings.

The major prize will go to the person who finds the golden goose egg—that will be worth \$25.

And the second prize—which goes to the finder of the silver goose egg—will be a live lamb. Of course, there will be lots of other prizes, including live bunnies, baby chicks and ducklings.

DEATH OF MRS. WARNING

Mrs. George Warning, Wolf road, Mokena was stricken suddenly Wednesday morning as she and her husband were driving to Joliet. He stopped in New Lenox when she complained feeling ill and then rushed to Silver Cross hospital where she was pronounced dead. Removal was made to the Sonntag funeral home in Joliet where services will be held. Funeral arrangements have not been made but the family thought it would be either Friday or Saturday afternoon.

Flood control starts on hilltops of every farm, says a forestry specialist at Dixon Springs Experiment station, U. of Illinois.

Lincoln-Way Chorus Soloists and
Ensembles Will Sing Saturday
In District Contest at Oak Lawn

Students in the choral division of the Lincoln-Way High School Music department are busily preparing for the annual contests on March 24 and April 7. The solo-ensemble contest is to be held March 24 at Oak Lawn Community high school while the district contest is April 7 at Reavis High School.

The chorus is to sing "The Lord is My Light" by Allitsen and "My Mother Bids Me Bind My Hair" by Hayden.

The girls' ensemble will sing "Alexander's Ragtime Band" by Irving Berlin and "May Day Carol" by Deems Taylor. Girls in the ensemble are Bonnie Slick, Raydene Cook, Joyce Klinger, Janet Korsgaard, Sheila Bennett, Yvonne Piepenbrink, Jane Oram and Sue Eriksen.

The mixed ensemble will sing "Music Maker" by Shelly and "I Heard A Forest Praying" by De Rose.

Soloists are Carol Larson who sing "Come Unto Him" from the "Messiah" and Wendell Anderson who will sing "Nina" by Pergolesi. Mrs. Betty Tryon head of the choral division will direct. Barbara Sayers is accompanist for both the ensembles and the soloists.

State Science
Body to Honor
2 L-W Seniors

Two seniors of Lincoln-Way Community high school, have been selected for special recognition by the Illinois State Academy of Science at its 49th annual meeting in Springfield, May 4 and 5. The students are James Everett Cooper, son of Mr. and Mrs. Everett James Cooper, 213 South Mokena st., Mokena, and Rudolph Patrick Gutzik, son of Mr. and Mrs. Rudolph F. Gutzik, 240 Center Rd., Frankfort.

They will receive certificates of award at a ceremony to be attended by members of the Academy and its affiliate, the Junior Academy of Science, on Friday evening, May 4. In addition, they will be guests of honor of the Junior Academy at its annual banquet the same evening, and each will be allowed \$10 in cash toward travel expenses to the meeting at Springfield.

Announcement of the awards was made at Urbana by Dr. G. R. Yohe, Illinois Geological Survey chemist and chairman of the Academy's Science Talent Search Committee. Awards were based on the results of a competitive examination given in co-operation with the Westinghouse Educational Foundation, and on the quality and originality of the student's written report on his own scientific project.

In preparing for their examinations and working on their projects both boys were under the guidance of H. Neil Hardy, teacher at Lincoln-Way Community high school.

The 24-hour multiple choice examination taken by these students is carefully devised by the Science Clubs of America to test not only the student's knowledge in a variety of scientific fields, but also his ability to observe accurately and to think logically," Dr. Yohe said in making the announcement.

The success of these winning students reflects more than their own unusual ability, however," he continued. "Standing behind them are teachers who have the knowledge and ability to guide and inspire these young people. We must not forget that in honoring these students we are also honoring a group of highly successful teachers."

MOKENA PTA

A panel discussion by Lincoln-Way high school students and teachers on "What High School Has to Offer Freshmen in Extra-curricular Activities," will feature the meeting of the Mokena PTA next Tuesday night at Mokena grade school.

Mokena Grade
School Chorus to
Give Operetta

The Sixth, Seventh and Eighth grades of the Mokena Public school will present Paynter and Grant-Schaefer's operetta, "Snow White and the Seven Dwarfs," April 6, at 8 p.m. in the school auditorium.

Tickets may be obtained from members of the grade school choir or at the door. The proceeds will be used toward the purchase of elevated platforms on which the choir may stand.

New Lenox Lions
To Give Annual
Show Saturday

The big moment for the New Lenox Lions club members who have been busy for weeks with rehearsals for their annual spring show, will come at 8 o'clock Saturday night, March 24, when the curtain goes up on the 1956 version of TV Highlights.

The biggest moment of course will be after the final when members of the cast can relax and the committees in charge of the financial end of the affair can count up receipts.

The receipts are very important because the club depends on them to help with the various enterprises in which they are engaged. The Lions contribute heavily to the support of Small Fry baseball and other activities in which New Lenox youngsters participate, in addition to aid for those with defective vision and lacking means of getting treatment, and those families and children in need at Christmas time.

To meet these expenditures the New Lenox Lions depend upon public support of two programs each year—the spring show which is to be given this week, and the carnival and auction that will be held the latter part of the summer.

The show borrows from the formats of stellar TV attractions and is divided into two sections. At the intermission there will be music, provided by the Lincoln-Way high school band under the direction of Robert Taylor.

Appearing in the finale will be Dennis Pfeiffer and Robert Fitzer, representing the Cub Scouts, Holly Peterson, the Girl Scouts, John Warning, the Boy Scouts, Judy Lewison, the Brownies and Patrick Warren the Small Fry baseball players.

Ray Pfeiffer is manager of the show and others on the committee are Ronald Vondrasek, Robert Gleason, Richard Gurley, Les Brownlee, B. J. Pillis, John Minion, Sheldon Hauck, Frank Chandler, Harold Alexander, Anthony Padzuika, Louis Trotter, Fred Feil, Abe Carson, William Friedrich, Arthur Feil, Harold Weber, Roy Minger, Joel Lashmet, Paul LaVinn, Albert (Bud) Huttenhoff, Elmer Goldenstein, Frank Goetschel, Glenn Vally, Robert Fredin, George Yapp and Robert McCleary.

Included in the cast are, Don Wenlund, district governor of the Lions, his daughter, Joan, Charles Carnahan, club president and Carol Larson who appear in the first sketch.

Louis Loeb is doing Ralph Edwards; John Francis, Ralph Hacker, Peter Rob and Amos Bruns are the Mills Brothers; Janet Wise as Georgia Gibbs; Glenn Vally, George Vally, John Hauck, Don Lewison, Dave Bruns and Ron Vondrasek as "Maid of the Islands"; Stanley Gilmore as a hillbilly philosopher; Bill Heidrich, Jr., doing a newscast; William McCormick, Lawrence Cullison, Ronald Steinberg, Theodore Hurst and Paul Schuh, the Dorsey Boys; Don Becker as Tennessee Ernie; then comes William Novel, Norman Heidrich and Frank Romeo

Mokena Lions
Will Sponsor
Easter Egg Hunt

The Mokena Lions club will conduct their annual Easter Egg hunt again this year. It will be held in the village park on Easter day as previous years and will start at 1:30.

Lion President Ray Westlund has appointed John Searth and Richardson to be in charge of the hunt. All children from preschool up to and including the 6th grade pupils are to participate in the hunt. The preschool children are to be the first to enter the hunt and after about 10 minutes, it will be open to the other children.

The Mokena Lions club is having an active program for the next few weeks. Next Thursday is their regular Scrap and Paper drive, starting as usual at 7 p.m., when they again remind the residents of Mokena to place their bundles of paper, at the curb in front of their homes and their porch lights lit so as to indicate for the pickup truck to stop.

This Friday, March 23, the Mokena club will go to Plainfield to lend assistance to the Lions club there. The Plainfield club is conducting a variety show on that evening for the purpose of raising money with which to underwrite the necessary examination and hospitalization for an eye operation for one of their local young men. According to a Plainfield official this young man will lose his sight within five years unless action is taken at once.

The Plainfield club is asking all Lions club in the area to contribute a number to this variety show and LeRoy Harling of the Mokena club will put on his magic show. He will be accompanied by President Westlund and Fred Lehmann and perhaps a few other members.

The Mokena Lions club next activity will be a tour thru the Caterpillar plant south of Joliet on Thursday evening, April 5. All members, their wives and friends are invited to go on this tour and are to meet at the Mokena club will put on the plant at 6:15 to go by bus to the plant. This is an interesting trip and is being awaited with much anticipation. This group will have their supper in the plant's cafeteria at a nominal cost.

The first Prairie Farmer magazine scholarship in agriculture journalism at Southern Illinois University was established in 1955.

In something that has to do with George Gobel; Don Mangan in the Lost Week-End; Elmer Goldenstern and John Peterson doing Masquerade Party; Dr. Webb in "See's Her Our," and Les Brownlee as Mahalia

Jeepers Creepers!
So Many Weepers

Ralph Thoresen, who operates "The Shopping Bag" at Mokena reached into Shakespeare's "Julius Caesar" this week and came up with this line as a warning to the countryside—if you have tears, prepare to shed them now.

And this is no idle phrase. Thoresen means it. Informed last week-end that onions were down he ordered a carload. Yesterday they arrived and today they are going into homes by the bagful—big bags too.

Thoresen, red-eyed after wrestling tons of onions, was caroling a little song "now it's your turn to cry over me."

Seniors Start
Work on Play

Seniors at Lincoln-Way are devoting their extra hours now in preparation for the annual play which is to be presented in the school gymnasium the nights of April 13-14.

The play this year is a delightful comedy that has been produced many times on stage and film—"The Admirable Crichton," which was written by James M. Barrie.

It deals with the situations that arise when a group of plucky Brits, accompanied by their servants, including Crichton, find themselves marooned on an island.

With Crichton there to take charge of things the group is in good hands. The British always did produce highly skilled diplomats that possessed a sixth sense on when to butter up his adversaries or get tough. The admirable Crichton no doubt would have occupied a high niche in diplomacy had he tried his hand at being a civil servant rather than an upper servant.

There are many laughs and even more chuckles and smiles in "The Admirable Crichton," and it is expected that the production will be a sell-out for both nights.

Open \$60-Million
Industrial District
At Tinley Park

Yesterday was T-P-A Day! At a dinner given last night in the Blackstone hotel in Chicago, Tinley Park Associates, Inc., formally announced formation of their 300 acre, \$60-million dollar industrial district at Tinley Park.

Some 60 persons attended the affair, including upper level officials and representatives of many of the leading corporations of the nation. Bank and railroad presidents, board chair

Mokena Board Selects 10-acre
Tract on 2nd St., West of Wolf
Rd. as Most Central in DistrictPalm Sunday Will Usher in Holy
Week of Christian World and
Its Varied Program of Services

This coming Sunday is a memorable day in the Christian year. It is Palm Sunday. It commemorates a day of triumph—triumph and foreboding.

Palm Sunday is the last Sunday in Lent. It is the day on which Jesus entered Jerusalem to the wild acclaim of the crowd that lined the way of his passage and the shouts of those who went before Him strewing His path with palms.

There were frowns and whispering too that day presaging the conspiracy that was to flame into mob rule before the week was out. And the shouts of love and joy that were heard on this first Palm Sunday would be supplanted on Friday by the angered cries of a hate-filled mob, inflamed by the high priest and his henchmen who saw extinction of their corrupt money making practices unless Our Lord was killed.

In many churches palms will be distributed this Sunday but all of them will have special services in keeping with the season.

Palm Sunday also ushers in Holy Week.

Practically all churches in the area now observe Holy Week with daily services for adults and special chapel services held mornings before school for youngsters in the public schools who wish to attend. The parochial schools, of course, will hold church services daily.

Maundy Thursday or Holy Thursday will be marked with special services in practically every church. Some will have services during the day as well as evening, some in the form of vigils.

For it was on Thursday evening that Jesus sat down with His apostles at the Last Supper in that upper room in Jerusalem. It was then that He instituted Holy Communion. It was at this supper that He prophesied His betrayal that was to come within the next few hours and end in His crucifixion on Golgotha Friday afternoon.

Churches in the area will hold Good Friday services, some in the afternoon from noon to 3 o'clock and some at night.

The Will County Ministerial association will again sponsor services at the Rialto theater in Joliet from noon to 3 p.m. on Friday.

The climax of the Christian year, will of course come on Easter, which this year is April 1.

Rudolph Riggie
Dies Suddenly

Rudolph Riggie, 54, son of Mrs. Carolyn and the late Daniel Riggie of Orland Park, died in the Woodlawn hospital, Chicago, March 13. He had suffered a sudden heart attack three days previous.

He was born in Orland Park, Dec. 17, 1902 and spent his youth there. He went to Chicago in 1929 where he was employed and was united in marriage with Miss Margaret Sullivan in 1932. He made weekly trips to Orland to visit his mother.

Surviving are his widow, four sons, James, Robert, Terrance and Raymond all of Chicago except the latter who is serving with the army in Japan, and a daughter Eleanor at home; two grandchildren; his mother and five sisters, Mrs. Bessie Newton, Mokena; Ann, Mrs. Frank Bly both of Chicago; and Laura, Mrs. Grant Nolan, Detroit, Mich. A sister, Mary Anders and two brothers, Harry and Thomas, preceded him in death.

His son, Raymond arrived home from Japan Monday, too late to attend the funeral which was held March 17 in a Chicago chapel, with the Rev. Carl Carlson officiating. Burial was in Cedar Park cemetery.

men and leading industrialists heard Prof. Harold M. Mayer, department of geography of the University of Chicago speak on the "Future Prospects in the Region of Tinley Park."

Chapel Services
For Children Part
Of Holy Week Plan

Chapel services for grammar school pupils in Mokena will be held during Holy Week, Monday thru Good Friday, from 8:15 to 8:45 a.m. except the morning of Good Friday when the starting time will be 9 o'clock.

The services will be held in the Mokena Methodist church this year. Last year they were held in the St. John's Evangelical church. The two churches joined making the arrangements for the series of morning services for youngsters.

The program is sponsored by the Will county Ministers association.

The following subjects and leaders have been chosen for the Mokena services:

Monday: "Jesus Helped in Bearing the Cross," Mrs. Charles Swanberg, leader.

Tuesday: "The Crowd and the Weeping Women," Mrs. William Riemann, leader.

Wednesday: "Jesus and the Two Criminals," Mrs. LeRoy Harling, leader.

Thursday: "Wine and Jeering," Mrs. Fred Ricketts, leader.

Friday: "Calvary and the Easter Prologue," the Rev. William Riemann, leader.

At Frankfort Youth chapel services in Frankfort next week will be held in the Methodist church with the Rev. Ben F. Day, pastor, and the Rev. Erich Bizer, pastor of St. Peter's Evangelical church, in charge. The hours will be during the noon hour from 12:30 to 12:55, Monday thru Friday.

Mokena Firm Puts
On Implement Show;
Has Varied Line

A full line of tractors and farm machinery is now on display at the Charles Swanberg implement firm on Wolf Rd. in Mokena.

He is showing two lines of tractors, Minneapolis-Moline and Ferguson and all manner of implements and pieces of machinery designed to make farm work easier and more efficient.

While gasoline is still the major fuel source for tractors there are some propelled by Diesel engines and the gas fuels, butane and propane.

Many use butane and propane as a serious rival to gasoline as a fuel for passenger cars as well as tractors if made easily available. The cost of installing a large storage tank for butane or propane is an item that discourages some from adopting this type of fuel but those who have claim it will pay for itself thru reducing maintenance costs. There is no wear on valves or cylinders and oil remains clean. Swanberg also carries a line of garden tractors and garden and yard machinery.

One of his features this year is a stainless steel milk cooler by Mojonnier.

As a means of expediting service calls Swanberg has installed a two-way radio system. His transmitting and receiving antenna is erected on the north side of his building. The transmitter and the receiver are made by Motorola but are leased to Swanberg by the Illinois Bell Telephone Co. The telephone company maintains the equipment.

Frankfort Churches
Will Hold Union
Good Friday Service

Union services will be held Good Friday in St. Peter's Evangelical and Reformed church in Frankfort. Cooperating will be the Methodist churches in Frankfort and Green Garden.

The hours will be from 12 noon to 3 p.m. with the Rev. John Vautrin, Green Garden and the Rev. Ben F. Day, Frankfort Methodist church, and the Rev. Erich Bizer, St. Peter's church, as speakers.

The choirs composed of members of all three churches, will give special music. Everyone is invited to attend.

The Mokena grade school board has an option now on a 10-acre site for a proposed new school which is needed to meet the needs of a steadily growing enrollment.

The proposed site, rectangular in shape with a length of 822 feet and a width of 535, lies west of Wolf road, about 500 feet on what would be a continuation of Second st. The southwest corner of the property lies at the intersection of 114th avenue, and 197th st. The location is described as near the center of the school population of the district.

The property is owned by Roy Kropp and two of his cousins, Mrs. Adolph Steen, of Mokena, and her sister, Miss Wilma Stamer, a school teacher in Arizona, who inherited the tract from their mothers, Mrs. Selma Kropp and Mrs. Alma Stamer.

According to the terms of the option the school district will pay \$12,000 for the property and the sellers are to pay the cost of building a street from Wolf road, west to the site, and to furnish a guaranteed title policy.

The entire question—the location and purchase of a site, the approval of the plan to build a new school and the approval of a \$10,000 bond issue to pay the cost of the proposed improvement is subject of course, to approval by the voters of the district at the regular school election April 14.

At the same time the board also will ask the voters to approve the sale of the district's property at the east end of Front street. This was the site of the school that preceded the structure now in use and now outgrown.

A spokesman for the board stated that the selection of the site west of Wolf road, was made after a thorough study of the needs of the district and of various pieces of property.

The property finally decided upon meets the areas standards generally recommended by county and state school authorities and educators for a district like ours, the board spokesman said. "These recommendations call for at least 10 acres to insure ample area for the present and offer some insurance that the future needs of the district would be provided for."

As was announced previously, the proposed new school would have six rooms, four of which would be finished now. The present school has six rooms and they are not enough, it was pointed out.

The need for a new school was further highlighted this week by a report of the handicaps under which the present school program is required to operate because of rapid increases in enrollments.

Every school day, Second st., in front of the Methodist church, is closed to traffic to protect the first grade pupils who attend classes in rented quarters in the church educational building. Likewise, Carpenter street in front of the school also is closed to traffic every school day.

As to rate of growth during the past few years, the board states that the school population of the district has been growing at the rate of just about a "class room a year," citing these enrollment figures for the start of school years: 141 in 1950, 168 in 1951, 193 in 1952, 217 in 1953, 250 in 1954 and 263 in 1955.

Sixty pupils are now using one room at the present school as their home room. The stage, highly inadequate for the purpose, is doing six hours a day duty as a recitation room. The third grade, with 44 pupils under one teacher, has been forced to split into two groups, one of which is dismissed earlier so that the teacher has at least some opportunity to give a little extra help to the ones who need it.

The figure of \$110,000 for which approval is asked is a top figure, the board states. There is good reason to believe that the final cost can be somewhat less than the total of bonds authorized, with resultant savings to the district, it was said.

The board also points out that the district will remain well below its total bonding power which is limited by law to five per cent of the total assessed valuation of the district. By staying well below the maximum bonding power, the district will remain in good financial condition to meet its future needs, board members declared.

To a seaman, a "pulling boat" is a rowboat.

Fr. J. A. Howell Accepts Call to Western Springs

The Rev. Joseph A. Howell, son of Mr. and Mrs. Ralph Howell of Mokena, is to become pastor of All Saints Episcopal church at Western Springs July 1.

Ordained at Christ church, Joliet, two years ago, the Rev. Mr. Howell has been serving as assistant pastor at St. Luke's church, Kalamazoo, Mich., where the Rev. Charles E. Benenson formerly pastor of Christ church in Joliet, is in charge.

The Rev. Mr. Howell will succeed the Rev. Cleon Bigler at All Saints. Father Bigler has been there for 28 years and has been rector since All Saints attained parish status in 1942.

The Rev. Mr. Howell took his undergraduate work at DePaul university and was graduated from Seabury Western Theological seminary at Evanston in 1954.

His wife is the former Georgia Bale, daughter of Mr. and Mrs. Henry Bale of Joliet.

Swimming Pool Is Planned for Valley View

A swimming pool—an item that has been lacking in this area—is scheduled to be built by Frank Jurcak, owner and operator of Valley View Farm, if the Will county zoning board of appeals grants his request for a B-1 classification of the property on the north side of U.S. Route 30, less than a block east of Wolf road.

Hearing on the petition is scheduled for tomorrow night at the Frankfort village hall.

There are two hearings scheduled there, the first being that of Albert H. Krusemark Jr. for a B-1 classification of property on the north side of Route 30, immediately west of the Cook county line. The classification is requested to permit the erection there of a gas station and motel. The first hearing is scheduled to begin at 6:30 o'clock.

Hearing on a petition for a B-1 classification to permit the building of a public garage on Maple road (U.S. Route 6), 1 1/2 miles east of Gougar rd., is scheduled for 7 o'clock at New Lenox, at the railroad station. The petition was filed by James A. White.

If approval is given the petition involving the swimming pool, the next step for Jurcak would be to get an O.K. on his plans from the state department of public health. A swimming pool presents a drainage problem that the state must be consulted about, it was explained.

The proposed pool would accommodate approximately 100 bathers, it was said, and would be constructed of concrete and tile and lighted for use at night. There would be bath houses adjoining the pool, also another pool of shallow depth made especially for the use of children.

If all the necessary approvals of the plans are forthcoming in time the pool will be built for use this year, otherwise it will be next season.

Approximately 50,000 reservations have been made for this season for the picnic grounds in connection with Valley View Farm it was announced by Mr. Jurcak. Several large corporations have planned to hold company outings there.

Makes Plans for Cancer Crusade

Willard B. Curtis, chairman of the Will county chapter of the American Cancer society, announces that Harold Whiteside, 517 Third ave., Joliet, has been appointed chairman of the Cancer crusade for 1956 for Will county. Mr. Whiteside has been active in many civic and welfare projects in Joliet. He is also district manager of the Social Security administration office for five counties including Will.

The national goal for 1956 in the cancer crusade has been set at \$26,000,000, the goal for Illinois at \$1,450,000, of which Will county's share is \$16,722.20.

Mrs. Herbert Wrath is chairman for the drive in Mokena and Mrs. George Carlisle is co-chairman. They attended the kick-off lunch held in the Ottawa Street Methodist church yesterday noon, where they received material for the drive which will be conducted during the month of April.

The Mokena Girl Scouts came to the aid of the Cancer society recently when they conducted a drive for white materials, of which they collected 160 pounds from local residents. This material will be turned over to the Women's guild of St. John's Evangelical church where it will be made into bandages prior to being turned over to the Will County Cancer society.

The project of making bandages will start in May when Mrs. Myrtle Nord, executive secretary and Mrs. Ernest Hedberg of the Cancer society service committee, will meet with the volunteer workers at the church and instruct in the making of the bandages. The Society will furnish the cotton for the inner padding.

Mrs. Rudolph Englehardt is Girl Scout Neighborhood chairman and Mrs. Donald Ambuehl, troop leader under whom these girls worked, Mrs. Bert Janner and Mrs. Loren Collins are leaders of the Brownie troop 60, who also helped in the white material gathering.

198 Girls Attend FHA Conference

A chalk-talk artist, a puppet performance and a style show furnished the entertainment for the meeting of the Future Homemakers of Chapter 20 held last week at Rich township high school.

One hundred and ninety-eight girls were in attendance, representing 18 high schools in Will and southwestern Cook counties.

The chalk-talk was given by Mrs. Rosalind Heitzman and Jack Kennelly presented the puppets. Girls from the high schools represented at the session served as models for the style show.

An election of officers was also held. Carol McCandor, a sophomore at Carl Sandburg high school was elected chairman of the committee on public relations.

Science Students Invite Public to Inspect Projects

Tomorrow, March 23, the Phi-Chem Association of Lincoln-Way will hold its annual Science Night. The purpose of the affair is to acquaint the public with some of the work the students do in the field of science.

Every science student will exhibit a project which pertains to an area of science selected by him. There will be fifty one projects on exhibit. One will be of modern coffee pills for those people who want cream and sugar in their coffee. The project called "Electrophoresis" which recently won first prize in the high school division at the Science Fair held at the College of St. Francis will be shown. An other, "Musical Light" which won third place at the same fair will be exhibited.

Exhibits will be judged by Ray Janota of Rich Township high school, Donald Hopkins of high school, Donald Hopkins of Carl Sandburg, William Schwab of Armour and Co., and Emmett Shepherd of the Pure Oil company. Prizes awarded will be first, second, outstanding and honorable mention.

The students and their advisor, Neil Hardy, invite the public to attend Science Night so that they may better understand some of the work the students are doing.

A "downeaster" is a New Englander, especially one from Maine.

Mokena Car In Freak Mishap

When Mr. and Mrs. Frederick Clark of Mokena went to Joliet Monday afternoon, they parked their car on the north side of Scott st., just south of Van Buren st., and upon returning to it a short time later, found it, and four other cars parked in the same area, covered with a fluid.

Investigation revealed that the cars had been sprayed with an acid from a passing truck. The truck driver, stated he had noticed acid shooting from the top of his truck and stopped. He found that the safety valve apparently had become defective, allowing the sulphuric acid contained in his double truck to escape. The truck belonging to the Rogers Cartage Co., was enroute from the Blockson Chemical co., where it was loaded with the acid, going to North Lake, Ill.

"What, a-g-a-i-n?"

Let an ELECTRIC Dryer do the work on washdays—

Electric heat's the cleanest, fastest, dryest heat there is... and electric dryers cost less!

Why clutter up the kitchen with wet wash? The quick, easy way to dry clothes is with an electric dryer. Just load it, set the controls and you're done.

Nothing but pure, clean electrically heated air ever touches your clothes in an electric dryer. That's why everything comes out smelling sweet and fresh.

Electric dryers are great for hard-to-dry things like throw rugs, jeans and baby blankets. Yet even your most delicate fabrics

are perfectly safe. (Controls are very accurate.)

Can't fade colors the way the sun will. And the complete cost of drying a load in an electric dryer is only 7¢.

You can own an electric dryer for less than \$2 a week. Installation is little in any home with good wiring.

Electric Dryers Cost Less—no outside vent needed. Automatic—no igniting devices necessary.

See your Electric Appliance Dealer.

PUBLIC SERVICE COMPANY

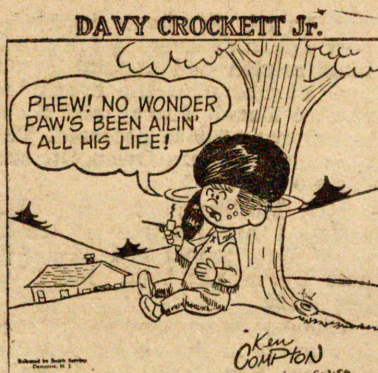

"LITTLE BILL" says: "Dry clothes electrically for pennies a day!"
© Commonwealth Edison Company

Save important money with new share-the-cost installation plan

If you need new wiring to install an electric dryer, we share the cost with you. Qualified home owners can cut this expense by about half. And you get more than a money saving! The modern wiring that goes with your dryer installation helps improve your TV picture, brightens lights, makes everything electrical work better. And you can install an electric range, water heater or air conditioner (that require a 240-volt circuit) quickly and cheaply. The Plan is now available on terms of up to 2 years. Your appliance dealer has details.

Fish and many kinds of game in Illinois and the whole Midwest now seem to be facing their brightest future in years.

This observation was made by Dr. Harlow B. Mills, chief of the state natural history survey. Improved methods of game management, the ability of animals to adjust themselves to new conditions are some of the reasons.

Conservation director Glen D. Palmer pointed out that if the proposed agricultural soil bank goes into effect it will encourage additional extensive planting of trees by Illinois farmers and landowners.

Farmers own one-third of all the timber land in the United States.

Tinley Woman's Club to Honor New Members, Past Presidents At Springtime Tea March 28

The Tinley Park Woman's club will honor new members and past presidents with a Springtime Tea to be held in the Tinley Park school Wednesday, March 28 at 1:30 in the afternoon.

Following the business meeting Mrs. Voris Miller, president, will introduce the nationally known speaker, Mr. W. P. McCord, whose current subject, "Builders and Destroyers" is applicable to people and conditions in the town where he is spokesman. He tells of the progress being made and what happens to a town without civic minded people. There is not a dull or

uninteresting moment during his speech.

Mrs. Arthur Wagner will be the chairman of the hostesses for the tea.

Several members of the club accompanied Mrs. Walter Eichelberg, garden department chairman, to the Illinois Garden Prudential building on Monday.

Among those were Mrs. Voris Miller, Mrs. Lewis Shawyer, Mrs. Melvin Rensink and Mrs. William McLain.

In the evening Mrs. Miller and Mrs. Eichelberg were guests of the Markham Woman's club.

Carl N. Gallina Of Tinley, Weds Eastern Girl

Mr. and Mrs. Carl Gallina, 17200, 67th av., Tinley Park, are announcing the marriage of their son, Airman, First Class Carl N. Gallina and Miss Paula Wilson, formerly of Brooklyn, N.Y.

The wedding took place January 16 in St. Anne's church at West Palm Beach, Fla., where the groom is stationed. The marriage of honor at the wedding was Mrs. Ruth Greg of Boynton Beach, Fla., and the best man was Hubert Mulligan of Tennessee. The young couple are living at 711 Penn st., West Palm Beach.

After his discharge from the service they plan to visit the bride's relatives in New York and spend a few weeks with his parents in Tinley Park before going to California to attend college.

Patience Can Speed Refund Of Income Tax

The Internal Revenue Service urges taxpayers in this region to refrain from inquiring as to the status of refund checks until after July 31. Telephone and written inquiries at this time tend only to delay the receipt of refund checks, Regional Commissioner D. L. Olsen stated.

Mr. Olsen further pointed out that this region, which includes the States of Illinois, Michigan and Wisconsin has already issued approximately 450,000 refund checks. Thousands of additional refund checks are being processed daily and will reach taxpayers shortly, he added.

Mr. Olsen explained that approximately eight million individual income tax returns are filed in this region from Jan. 1 to April 15. District offices are therefore confronted with the responsibility of processing a substantial number of returns during a relatively short period of time.

The shipping mines of Illinois produced 4,620,948 tons of coal during February, 1956, tons less than in January, according to the monthly report of the state Department of Mines and Minerals.

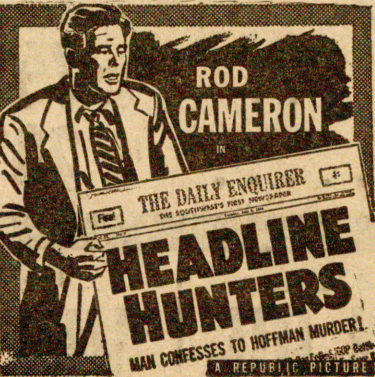

The February production came from 48 strip mines with an output of 1,898,986 tons, and 88 shaft mines that hoisted 2,721,962 tons.

Book Club Hears Review of Godden's Newest Novel

by Marcella Lehmann

The Mokena Book Club met in the home of Mrs. Kay Owens last Friday to hear a review of "An Episode of Sparrows" by Rumer Godden. Mrs. Lois Shewski was the reviewer and is also president of the organization.

The Book Club members act as volunteer librarians for the Mokena Library at 34 E. Front St., which is financed by the Mokena Lions Club and furnished with more than 800 books, some from the Illinois state library at Springfield and some belonging to the Book Club. Some very nice books were donated to the library recently, but many of them proved to be duplicates of ones on the shelves. The matter of what to do with such books, and also with other books or magazines that might be given to us, was discussed and it was agreed that we should find out whether the Oak Forest Infirmary would be able to use these.

In the March issue of the Readers Digest magazine there is a story of "Hunza: Happy Land of Just Enough," which is one chapter of a recent book by Jean Bowe Shor "After You, Marco Polo." The library is happy to say it has this book to loan.

Librarians for April will be: Mrs. Roy Thompson, Mrs. Geo. Bills, Mrs. Philip Lenz, and Mrs. Thomas Powers. Our volunteer librarians are happy to donate their time and effort every Wednesday night to keep up this service to the community and are well repaid by the enthusiasm of the book borrowers and the consciousness of the importance of this service.

Neither radio nor movies nor TV can drive books out of circulation, tho they may manage to slow them up for awhile. Books and reading are the most important part of our culture, and our feeling for them is expressed best by this poem of Emily Dickinson:

"He ate and drank the precious words,
His spirit grew robust.
He knew no more that he was poor
Nor that his frame was dust.
He danced along the dingy ways,
And this bequest of wings
Was but a book—what liberty
The loosened spirit brings."

Coming Events

Fri., March 23—Bake sale, Vogt's store, Tinley Park, by Ladies Aid of Zion Lutheran church.

Sat., March 24—Card party, VFW hall, Mokena, by VFW Auxiliary 8:30 p.m.

Sat., March 31—Bake sale, Cooper and Hostert garage, Mokena, 2 p.m. by WSCS of Methodist church.

Sat., March 31—Bake sale, Vogt store, Tinley Park, 9 a. m. by Ladies Aid St. Paul's Ev. Lutheran church.

Home Bureau Executive Board Has Conference

The executive board of the Will County Home Bureau met regular session Monday morning, March 12 in the Farm Bureau conference room, Joliet. Mrs. Edward Berens presided over the meeting attended by Miss Hazel Cowell and the Mesdames Earl Lockwood, Wilbur Lauffer, Harry Eaton, Richard Erickson, Harold Scheer and Gailen Holloway.

Routine reports were given by board members and Mrs. Ruth Mozzi, home advisor and Mrs. Betty Shinn, assistant home advisor gave accounts of their activities since the last meeting.

"Splinters from the Board" after the last meeting was written of this letter and sent to each Unit Chairman and should be read aloud at all meetings.

Mrs. Lane Clapsaddle of DeKalb county who is Illinois Home Bureau federation north-east district director sat in on a portion of the board meeting.

Following adjournment and the lunch hour, most of the board members and Mrs. Clapsaddle reassembled and journeyed to the home of Mrs. John Breen, Elwood. A dessert-coffee was served at 2 o'clock to all unit vice chairmen and their workers. This was a kick-off meeting to start the new-membership drive which is all this week, March 12 thru 16.

Mrs. Clapsaddle gave an inspiring talk on the advantages of being a Home Bureau member. "The Home Bureau brings to its members new methods in Home Economics," said Mrs. Clapsaddle, "develops leadership, creates neighborhood, good fellowship, and its programs offer the most education for the time spent. Leaders are developed to help people help themselves."

Key quotes from Mrs. Clapsaddle's talk were "you can go anywhere you want to go if you know where you're going" and "plan your work and work your plan." She explained how local units are part of a county unit which in turn belongs to the state federation then a national and international organization. "Women all over the world have common problems home, health, community and thru organization there is an exchange of interests, problems and solutions."

Mrs. Richard Erickson, county vice chairman in charge of the membership drive distributed working kits and requested reports be sent to her or the Home Bureau office in Joliet by March 19th at the latest.

A radio talk on the Home Bureau may be heard over WJOL Joliet on Wednesday at 11:30 A.M.

Sacred Heart League to Hold Hat Contest

Hats—Easter hats—perhaps Easter creations is the term—will be the center of attraction at the next meeting of the Sacred Heart League of St. Mary's church, Mokena, which is scheduled for April 12.

This display of millinery is an annual event on the League's calendar. It is not just a showing of headgear but the unveiling of creative talent as well. Prizes will be awarded for the most original hats and the committee in charge is looking forward to a large field of entries.

At the March meeting, which was held last Thursday, four new chairmen were named—Mrs. Eileen Hoohehan, religious programs, Mrs. Vera Mansfield, social, Mrs. Ben Martin, membership and Mrs. Kay Owens, publicity.

The response to the bake sale held last month was reported as excellent, and the attendance at the St. Patrick's day dinner last Saturday was very gratifying to those in charge and they expressed their appreciation of the efforts of all who helped to make the affair a success. The major prize, a deep fryer, was awarded to a Chicagoan, A. J. Kaller. Another prize went to Rose Marie Munch of Mokena.

At the meeting of the League last week the pastor, Father Cecil, outlined the changes in the order of the Holy Week services.

"Full, fair and just compensation" for property will be the policy of the Illinois State Toll Highway Commission which will soon begin acquiring land for construction of 193.3 miles of modern tollways in northern Illinois.

No land agents or buyers are employed and all land will be acquired thru attorneys appointed and approved by the commission.

May 4—Choir Concert. Mokena Grade school choir

Touch of Green Marks Luncheon Of Garden Club

Tinley Park Garden club met March 15 in the home of Mrs. Agnes English, with luncheon being served from a table decorated in the St. Patrick day motif.

President Feil welcomed Mrs. Mae Fanuzzo and introduced her to the club as a new member.

Program chairman, Mrs. Harry Mager, introduced R. G. Lund from the California Spray Chemical corporation who showed slides on various species of roses. He also told of a product which the Chemical corporation produces for the control and prevention of plant diseases.

A donation was made to the Red Cross.

Mrs. John Swisher was reported quite ill and is a patient in the Hinsdale sanatorium.

Mrs. Feil reported delivering 187 magazines to the Oak Forest infirmary.

The birthday song was sung in honor of Mrs. Florence Anderson and Mrs. Edith Baldwin now of Costa Mesa, Calif.

At the close of the meeting a memorial was read in memory of the late Mrs. Frederick Fisher, first president of the Garden club of Illinois. At one of the first flower shows of the Tinley Park club, Mrs. Fisher was an honored guest. Many of the club members remembered her well.

Agricultural attaches stationed at 49 posts in foreign countries are helping develop markets abroad for U. S. farm products.

Bremen High PTA Elects Officers

Mrs. R. A. Ekstrom, Jr., of Harvey was re-elected president of the Bremen high school PTA at a meeting Wednesday, March 14.

Other officers elected are: Mrs. J. T. Williams, Markham, vice-president; Mrs. Joseph Haitman, Midlothian, secretary; Mrs. V. S. Miller, Tinley Park, historian; and Mrs. Glenn Sharp, Hazelcrest, treasurer.

Regional vice-presidents are: Mrs. Robert DuBois, Forest Ridge; Mrs. John E. Hogan, Homewood; Mrs. V. S. Richardson, Midlothian; Mrs. Charles P. Smith, Tinley Park; Mrs. Leo Smith, Arbor Park; Mrs. Earl Oliver, Hazelcrest; and Mrs. J. M. Pultz, Markham.

Featured speaker of the evening was William Page, superintendent of Midlothian public grade schools, who talked on "Patterns of Growth." A film, "Farewell to Childhood," was viewed in connection with the program.

T. R. Birkhead, Bremen superintendent, discussed the integration problem in the South, as seen from the viewpoint expressed at the recent national conference for secondary school administrators at Atlantic City, which he attended.

Three delegates were named to the PTA council: Miss Mary Alice Smith of the faculty, Mrs. Robert Palmer of Markham, and Mrs. Joseph Sorn of Posen. Alternates are Mrs. C. M. Tindall of Tinley Park, Mrs. Heitman, and Mrs. Conrad Hoyer of Midlothian.

Singing a group of four songs were the Midlothian Mother Singers.

It was announced that Bremen high's open house will be held at the April 11 PTA meeting.

Mrs. Charles Breitbarth in Tinley Park.

Mr. and Mrs. Ben Yunker entertained Saturday night, St. Patrick's Day in honor of their son Ronald and Mrs. Yunker's birthdays. A number of friends and relatives were guests. House guests over night were, their daughter, Mr. and Mrs. John Muhr and daughter Patty of North Chicago and nephew Howard Yunker of Maywood.

Easter is just around the corner and that means that members and friends of the Orland Park Methodist church will gather fresh eggs to be delivered to the Methodist Old Peoples home and Lake Bluff orphanage. These folks look forward every year for fresh eggs from the country. You may bring your eggs to the church basement or to the home of Mrs. Mabel Ekberg, 14332 Beacon Ave. If you cannot secure fresh eggs and would like to help this project, a cash donation would be gladly accepted and Mrs. Ekberg will then buy fresh eggs.

The Orland Cloverettes held their March meeting in the home of Mary Barton. The newly elected officers are: President, Barbara Schmaedeke, vice president, Mary Barton; secretary, Judy Carroll; recreation, Janice Creer and reporter, Jean Bendix. Talks on two artists were given by Jeannine Flynn, Claudette Bettenhausen, Nancy Owen and Pat Ashum. Connie and Janice Meredith spoke briefly on pictures for walls. Mary Barton gave a baking talk and Joan Morgenthaler a sewing demonstration. The girls are about to start their sewing projects for the Achievement Day judging next July.

The 3 Brownie troops in Orland attended the Shrine circus March 12. Mrs. Richard Yang, Mrs. Billy Clark, Mrs. Franklin Loebe, Mrs. Harry Steinfatt, Mrs. Merrill Cooper and Mrs. Hutchmacher, leaders and co-leaders, accompanied the girls. This trip was made possible thru the courtesy of Mr. V. Chappel, Walter Schussler and Robert Davidson. The Brownies and their leaders wish to extend a great big thanks for the treats.

Mrs. Harry Rauch entertained her card club, Saturday night. Gino Federici, son of Mr. and Mrs. Anthony Federici was a guest of Ron Creer over the week-end. He attends St. Joseph's college in Collegeville, Ind.

Mr. and Mrs. Harry Hallinan and family of Wheaton, Mr. and Mrs. William Murphy and Mr. and Mrs. John McIntosh and son of Palos Park were dinner guests Sunday of Mrs. Gustie Hallinan.

Mrs. Frank Moore and Mrs. George Gee Jr. were dinner guests Sunday of Mrs. Karl Ekberg, honoring the 90th birthday of Mrs. Moore, which is the 19th of March.

Just a reminder that the Ladies Aid of Christ Lutheran church will hold their pre-Easter bake sale Saturday, March 31 in the church school building. Sale to start at 1 p.m. instead of 2 as stated in last week's paper.

The Missionary society will meet in the church Thursday, March 29 with Mrs. John Loucks and Mrs. Robert Burch as hostesses. Offerings for the Woman's Gift should be brought at this time. All Congregational church women unite in this project to help provide for deserving people everywhere.

Mrs. John Laughlin, Rt. 7, is Red Cross chairman for Homer Twp. this year. Assisting her are Mesdames Howard Hansen, Ray Carlson, Harlow Jungles, C. B. Koehler, Clyde Zimmer, Stanley Ujick, Frank George, James Fleming and David Bier, also

Miss Eleanor Purdy, Mrs. Walter Konow, Owen Ott, Arvid Anderson, Rose Braasch, Jean Anderson, Viola Starr, Annabell Naus, Vernon Johnson, Florence Zimmerman, Chas. Walter and Louis Habenicht. You are invited to cooperate with these volunteers by having your donation ready when called.

Several people from here attended the Kasper-Triem wedding at Frankfort Saturday evening.

Frank Milne and Lewis Barr attended the annual meeting of the G.B.H. Housing corporation at Dixon, Thursday.

Members of the C.A.C. held a dinner party at the Lilac Lodge near Chicago last Friday evening.

Ralph Burch spent a few days recently with his father, Henry Burch.

Joshua Boyce has returned from St. Joseph's hospital where he went for X-rays last week. He is confined to his home with a heart ailment.

The officers of Barnett cemetery association met in the Wil-

bur Francis Sr. home in Lockport Thursday evening for a business session and appointed two new members on the board to replace David Murray and Richard Gorham, both deceased. The new members are Owen Ott and Angelo DePra.

Mrs. Mottinger of Joliet has resigned her position as teacher of Ross school and Mrs. Angelo DePra has been hired in her place.

Charles Bergstrom of Chicago is a guest in the home of his nephew, Ray Carlson and family. The Modern Woodmen of Homer will meet in the Fred Kopelman home Wednesday evening, March 28.

The Altar and Rosary society of St. George's church held their fifth annual style show and card party on Wednesday evening, March 14. Since it was a pre-St. Patrick's day party, the decor motif was predominately green. The Rosary Shop of Homewood presented a lovely style show displaying the very latest fashions. Refreshments followed. Many lovely prizes were given away and a lovely plant was the prize for each table. An enjoyable evening was spent by the large number of people who attended.

The Sew and Sew club of the Zion Lutheran Ladies Aid met Wednesday afternoon in the home of Mrs. Pauline Taylor, with eight members present. It was Mrs. Randolph Hahn's first meeting with the club this year. Following the meeting, refreshments were served. The club will meet again Wednesday, April 11.

The Mothers club of Coopers Grove school held their annual dinner at the Valley View Farm restaurant March 15. All report having had an enjoyable evening.

The Altar and Rosary society of St. George's church will hold a bake sale Sunday, March 25 in the school hall, after each of the Masses, 7, 8, 9, 10, 11 and 12:15. While the women of the parish will do the baking of delicious home made bread, rolls, cakes and pies, the men of the Holy Name society will show their prowess as salesmen.

Ham Dinner at St. Paul's
The Ladies Aid of St. Paul's Lutheran church of Sedan Prairie is sponsoring a ham dinner Wednesday, April 4 in the parish hall at Vollmer road and Ridge land ave. Serving to begin at 5 p.m. Reservations must be made before March 29. Call KE 2-2364 or contact a member of the Ladies Aid.

WBA Social Night
The Woman's Benefit Association, Sunset Review met March 15 in the home of Mrs. Thelma Day with Margaret Rauch assisting. Fifteen members were present to enjoy a fast buncos game.

President Ruth Bacon conducted a brief business meeting in which a donation was given to the Red Cross. The April 5 business session will be held in the American Legion hall.

Hat Contest
The Zips, Young People's group of the Zion Lutheran church, are planning a grand time for March 24 as they gather to decorate and create unusual Easter eggs. Most of all however, they are looking forward to the contest of designing the most becoming Easter hat with materials such as crepe paper, ribbon pins and string.

A new guiding committee has been named for the coming year. They are representatives of the various organizations with in the church: Garnet Suhs from the Mission Guild; Dorothy Diekmann from the Ladies Aid and Howard Mager from the Men's Brotherhood.

Sunday, March 11, 200 men from St. George Holy Name society, with their sons and daughters received Holy Communion at the 8 o'clock Mass for the intentions of His Holiness as requested by His Eminence Samuel Cardinal Stritch. In all about 500 parishioners received the Blessed Sacrament at that Mass and the pastor, the Rev. Thos. D. O'Connell, remarked it looked like Christmas.

After Mass over 100 men with their sons and daughters sat down together to a breakfast of ham and eggs, rolls and coffee in the parish hall. About 275 breakfasts were served after which a short meeting was held.

A son was born to Mr. and Mrs. Ray Blash in the Englewood hospital, Feb. 24. He has been named Edward Raymond and weighed seven pounds three ounces at birth.

Mrs. Rose Luedke of Lyons, Neb. is a guest in the William Funk home. On March 18, the Rev. and Mrs. Henry Luedke were dinner guests of the Funks.

The family of Mrs. Kathryn Andres surprised her March 8 in honor of her 78th birthday. Everyone had a pleasant occasion followed by refreshments.

Edi-Lu, daughter of Mr. and Mrs. Hal Kent, celebrated her sixth birthday March 17 by having several of her small friends for lunch. The next day, dinner guests in the Kent home were Mr. and Mrs. Leslie Johnson and family when the second birthday of Alan Johnson was observed.

At a recent meeting of the Kirby Mother's club held in the home of Mrs. Harold Andres, a committee was named to formulate plans for a dance to be held June 2 in the Sanger ballroom. The committee consists of Mrs. Henry Stronk, Mrs. Harold McVey and President June Brumleve. This will be the first large financial endeavor that the group has undertaken. Refreshments were served by Mrs. Andres and Mrs. Warren Mancke. The next meeting will be April 3 in the home of Mrs. Harry Kuech.

Low growing ornamental plants called ground covers are best in small shaded areas of the lawn where mowing is difficult,

Milk Haulers Must Attend Special School

Final arrangements have been completed to hold a bulk milk tank operators school at the Woodruff hotel in Joliet March 28 and 29. This school for milk haulers is being sponsored by the Illinois department of public health, the Illinois department of agriculture and the University of Illinois.

Because of the special problems incurred in handling and shipping bulk milk the department of agriculture is requiring that all milk haulers who intend to operate a bulk milk tank truck be licensed. In order for a hauler to be licensed, he must attend a one-day school session and pass an examination.

Milk haulers from the entire northeast portion of Illinois are expected to attend this one day school on either March 28 or 29. A registration fee of \$5.50 per person will be charged which will also cover a noon luncheon and dinner in the evening.

A lee shore is a shore upon which the wind is blowing.

CARD OF THANKS

I wish to extend my deepest thanks for all the kindnesses shown to myself and family during my month's stay in the hospital; also to those who offered blood and for the cards, gifts—our sincere thanks for all.

KATHRYN ZINK and FAMILY

Richard Kirk, Sr., who has been confined by illness to his home on North Woodland circle, is still unable to return to his work in Chicago. Mr. Kirk who is 59, suffered a dizzy spell on his last trip to work, while driving. He had to stop until the dizziness had passed over.

Mrs. Charles Cervena, 11410 W. 193rd st., tells of letters received from her daughter and husband, Mr. and Mrs. Melvin Nordell from Naples, Italy. Mr. Nordell is employed by the American Consulate General in the Intelligence branch. He signed up with this work for three years having already spent one year there. They tell of the extreme winter weather which was all over Europe this winter and that most people in Naples and that section saw snow for the first time. They have taken two extensive trips to Switzerland and Paris and plan to attend the wedding of Grace Kelly and the Prince of Monaco.

Mrs. Andy Zink, who has been a surgical patient in Silver Cross hospital for the past month, returned home last Thursday where she is recuperating nicely.

Miss Donna Bueschel has joined the Red Cross corp of workers and is working in the U. S. air force hospital at the Shepherd air force base at Wichita Falls, Tex. She is helping in the recreation and rehabilitation centers and is enjoying her work. She was successful in passing the examination which she took in St. Louis.

Mr. and Mrs. Walter Spiewak entertained in St. Mary's hall Sunday night at a party to honor their daughter Penny and her 16th birthday. The affair was a dinner dance and was attended by 25 of Penny's friends.

She received many lovely gifts. The PTA of the Mokena public school will meet Tuesday, March 27 at 8 p.m. in the school gym. It is expected a speaker coming from the Lincoln-Way high school will have the main part of the program. Refreshments will be in charge of Mrs. R. Heimerdinger, room mother for first grade. It is hoped there will be a good attendance.

Mrs. Rudy Englehardt, Neighborhood chairman of Girl Scouts Mrs. Clare Berg and Mrs. Donald Ambuehl visited the art department in the Tinley Park public school last Thursday. They saw the art projects completed there done under the direction of Mrs. Miriam Zahler, who explained and demonstrated the use of the various art materials. They were much impressed by student's art work and the impressions their subjects made on each student. There was much originality shown. The Mokena women received many ideas for promoting artistic work in their groups.

Robert Niemann is a patient in the Orthopedic hospital in Chicago, receiving treatment for a spine condition.

Mrs. Clida Deadmore spent last Sunday with Mr. and Mrs. Lew Deadmore in Blue Island.

A pot luck dinner will be held Friday evening in the educational unit of the Methodist church for all members and friends of the church and their families. Everyone is urged to attend for an enjoyable evening and to get better acquainted with each other. The purpose of the dinner is to show what has been accomplished in a short period of time in the remodeling and building of the church. Plans will also be outlined for the continuing of the improvements and growth.

Mrs. Ludwig Thiel returned last Friday from Zion, Ill., where she spent a week helping to care for her daughter Mrs. Robert Whiteside and baby Gregory. They returned with Mrs. Thiel to her home in Mokena where they will spend a week.

The following officers were elected at the recent meeting of the Auxiliary to the William Martin post: Mrs. Gordon Doc-tor, president; Mrs. Gus Long, senior vice president; Mrs. Anton Benson, junior vice president; Mrs. Floyd A. Williams, chaplain; Mrs. Bertha Ziesemer, treasurer; Mrs. Russell Stankus, conductress; Mrs. Dorothy Beirger, guard; Mrs. William Schult, trustee, three years and Mrs. David McMillan, one year trustee.

A University of Illinois forest products specialist says that with wise management Illinois farmers could triple the production of their farm woodlands.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Miss Carole Tabbert celebrated her "long awaited" 18th birthday on March 16. Carole's hobby is raising parakeets, and has just added an all white bird to her collection; instead of raising it with her other parakeets it shares the freedom of the house with Mrs. Tabbert's cookatoo and they get along fine together. Our street signs were erected by Jack Nelson, Robert Anderson, Art Arnold and "Woodie" Woodbury.

The Cub Scouts have made some lovely projects and are really enjoying being part of the organization. The first project was an underwater scene which may be shown at the Pack meeting and a n interesting moss growing project which the boys have at home.

Brownie troop 180 attended the Shrine circus March 12. Janine Nelson was unable to attend as she was ill. Several other children have been ill the past

week. "Rickey" Eckels and Janine Nelson have been home from school and under the doctor's care with severe ear aches. Bruce Michael was home from school Friday with a sore throat and Charles Harris has been in bed since Friday with a sore throat and high fever. We hope by next week all of our sick children will be well enough to attend the last week of school before the Easter vacation begins.

Mrs. W. Eckel entertained her sorority, Kappa Nu Chapter Thalia March 6. Nine members attended the business meeting. Mrs. Eckel served a sandwich loaf, jello and coffee.

The cloud of dust you've seen going down the road is Barbara Weiss on her new two wheel bicycle her younger brother Ken nie also has a new wheeler.

The Cotter boys have found a new home for their pony, a business associate of Mr. Cotter's bought the pony for his own children.

Sunday, the 11th, was a hectic day for the Anderson family. Re-turning from church in Chicago their car was struck by another car, luckily no one was injured. The Andersons took Mrs. Robert Hunter, Mrs. Anderson's mother

home, and proceeded home with out incident. Due to being held up by the accident, their guests from Indiana arrived soon after they did. Feverish activity broke out in the kitchen as dinner was prepared. Mrs. Padel, of Hammond, Ind., helped in the kitchen while Mr. Casey Padel was putting up the street signs. The women met when they enlisted in the Marine Corps.

Mr. and Mrs. Zadesky plan to start construction in two weeks, weather permitting. The Murphys and Hagies are anxious to get started too. It shouldn't be too long before the Snedins move into their new home as the septic system is almost completed. The Snedins are the parents of two pre-school age children.

The next business meeting of the Laguna Wood Homeowners association will be held Tuesday, April 3 at 7:30 p.m. in St. Michael's hall in Orland Park.

A new warning to Illinois farmers against unreliable seed salesmen, particularly those who promise to pay above market prices for the crops to be grown from their seed, has been issued by the director of agriculture.

FRONT PAGE CRIME is the exciting theme of "Headline Hunters," which stars Ron Cameron and Ben Cooper, pictured at left. The gripping drama opens Friday at the Hilltop Theatre.

The Illinois Civil Service Commission will hold statewide examinations April 14 for the positions of health educator, psychiatric social work supervisor, recreation worker, social research analyst and public aid representative.

Full information may be obtained from the commission, 501 Armory building, Springfield, or at local state employment service offices. Applications must be in by March 31.

Sandburg High Frosh-Soph Five Has Good Year

Sandburg's Frosh-Soph cagers had their most successful season, compiling a record of 16 wins and four losses. The boys played good basketball all season and the record confirms this.

Coach Adams was satisfied with the team and their record but was saddened somewhat at their defeat in their own invitational tourney. Sandburg lost to Bremen in the first game, a team the Eagles had beaten twice previously.

The young Eagles shared the championship of the Southwest Suburban Conference with Rich, losing only one game, to Rich. Rich was the other conference co-champion.

Christian Science Churches

How freedom from disease and discord can be established will be brought out at Christian Science services Sunday, March 25, in the Lesson Sermon entitled "Reality."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (414:21-23): "The Scripture declares: 'The Lord He is God (good); there is none else beside Him.' Even so, harmony is universal, and discord is unreal."

Mark's description of how Christ Jesus established harmony in the experience of the man "sick of palsy" (2:3-12).

The Golden Text is from Psalms (111:2): "The works of the Lord are great, sought out of all them that have pleasure therein."

Charles M. Hayes, president of the Chicago Motor Club, has commended the action of the House Ways and Means Committee in establishing a tax differential between passenger cars and trucks in the proposed highway legislation.

The internal revenue service has issued a call to taxpayers to get their returns in as soon as possible before the April 16th deadline.

Director Luippold urges taxpayers to take a few hours in the evening or this week end to figure out their returns and get them in.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

A Men and Boy's banquet will be served at the Marley church Wednesday night, March 28. Tickets may be purchased from members of the Marley Brotherhood.

Fifteen members of the Marley Young People's group attended the BYF rally at the Sandwich Baptist church Sunday afternoon. They were accompanied by their leaders Mrs. Herschel Aseltine and Mrs. Clarence Berg and Russel Lauffer. Mr. and Mrs. Clayton Cleveland were dinner guests of Mr. and Mrs. C. H. James in Oak Lawn Saturday evening.

Mrs. N. B. Armstrong of Joliet was a guest Friday afternoon in the Louis Sass home. Mr. and Mrs. Robert Sproat and children, Mrs. Adella Sproat and Mr. and Mrs. Durward Killinger and Scott were entertained at dinner Sunday in the home of Mr. and Mrs. Jesse Cory in Earlville.

Mr. and Mrs. Clayton Cleveland and daughter Darlyne were

dinner guests Sunday of Mr. and Mrs. C. W. Thomas in Joliet. The Marley Young People's group will have a skating party at the Tinley Roller rink this Saturday night, March 24.

Mr. and Mrs. W. J. Cleveland and Mr. and Mrs. Clayton Cleveland were guests Monday evening in the Ed Malnar home in Tinley Park.

An Easter Sunrise service will be held at 8 a.m. in Haley Park Easter Sunday morning. The officers of the Marley Missionary society announce their committees for 1956: President, Mrs. James Tilsy; vice-president, Mrs. Russel Lauffer; treasurer, Miss Caroline Tilsy; and secretary, Mrs. Harwood Stellwagen.

Program: Mrs. James Tilsy, Mrs. Russel Lauffer and Mrs. Harwood Stellwagen.

Ways and Means: Mrs. Charles Sievert, Miss Bessie Sproat, Mrs. Royal Corp, Mrs. Fred Brown, Mrs. Glenn Peterson, Mrs. Joe Bruns, Mrs. Loren Sass, Mrs. Clayton Cleveland, Mrs. William Loucks, and Mrs. Edward Sproat.

Missions: Mrs. Herschel Aseltine, Mrs. Daniel Sass, Mrs. Alphonse Kohl, and Mrs. Charles Sass. White Cross: Mrs. Garrett Cummins, Mrs. Robert Walker, and Mrs. Deen Taylor.

Flower: Mrs. Charles Lauffer, Handwork: Mrs. Francis Nelson, Miss Helen Tilsy, Mrs. Ellen Nelson, Mrs. Ralph Bell, Mrs. Fletcher Binion, Sr., Miss Agnes Haley, Mrs. C. F. Haley, Mrs. Charles Ulrich, Mrs. Ralph Spiecker, Mrs. Robert Sproat, Mrs. Adella Sproat and Mrs. Everett Bell.

Hostesses: January, Mrs. James Tilsy, Mrs. Henry Tilsy and Mrs. Harwood Stellwagen. February: Mrs. Herschel Aseltine, Mrs. Glenn Sennier, Mrs. Geo. Yapp, Mrs. Fred Brown and Mrs. Kenneth Richardson.

March, the officers will be hostesses at the Silver Cross Nurse's home, April: Miss Helen Tilsy, Miss Caroline Tilsy, Mrs. Ralph Bell, Miss Agnes Haley, Mrs. C. F. Haley and Mrs. Charles Ulrich. May: Mrs. Charles Sievert, Mrs. Charles Dale, Mrs. Richard Beem, Mrs. Carl Wegner, Mrs. Clayton Cleveland.

June: Mrs. Robert Sproat, Mrs. Adella Sproat, Mrs. Fletcher Binion, Sr., Mrs. Francis Nelson, Mrs. Ellen Nelson and Mrs. William Loucks. July or August: Mrs. Russel Lauffer, Mrs. Charles Lauffer, Mrs. Edward Sproat and Miss Bessie Sproat. September: Mrs. Everett Bell, Mrs. Ralph Spiecker, Mrs. Royal Corp and Mrs. Alphonse Kohl. October: Mrs. Loren Sass, Mrs. Stanley Coe, Mrs. Arthur Lauffer, Mrs. Victor Zaloudek, and Mrs. James Frazer.

November: Mrs. Robert Walker, Mrs. Garrett Cummins, Mrs. Deen Taylor, Mrs. Glenn Peterson and Mrs. Mary Marshall. December: Mrs. Daniel Sass, Mrs. Cora Hyunk, Mrs. Charles Sass, Mrs. Louis Sass and Mrs. Joe Bruns.

Sportabout

by JACK MAYPOLE

In case you are given to eyeing the youth of today with misgiving, I'd like you to meet Ann Marsten.

Ann practically has cornered the market for women's archery titles and is only 16. She is a sharp and pretty as the bright new arrows she shoots with such accuracy.

It was my good fortune to meet her at the Sports show at Chicago. We clicked right away and she accepted my invitation to speak at a Lions club meeting at Oak Park.

Ann is not a big girl, not small either. Just medium. Bright blonde hair from her Saxon ancestors and clear blue eyes with the smooth complexion some English girls have. Ann, you see, is of English birth but she was brought to the United States by her parents when tiny and lives at Wyandotte, Mich. She grew up the American way.

When she spoke she sparkled with the type of enthusiasm that an audience can share. After her talk she answered questions, displaying a keen mind and a gift for repartee. Many who attended commented to me that she was a wonderful example of today's real American teenagers.

Ann's pet trick at the show was to set a sausage-shaped balloon before a target. When she shot, the arrow would snip the balloon and disclose another, smaller one. Then she would

Exercise Important In Baby's Bath Sessions

Baby's bath should be a sunny, agreeable spot in the day's routine. The mother who includes extra attention during bathtime is helping baby to feel he is loved and cherished, and thus contributes to his over-all sense of security.

The bath itself should be security and untroubled. After careful towel drying, a softening baby lotion treatment will add to baby's skin comfort. Use velvety baby lotion all over the body but especially in the folds and creases of skin. This snowy white emulsion of bland oil and water with lanolin and an antiseptic added not only lubricates the baby's skin but also protects it from diaper rash, prickles and chafes.

When baby has reached three

months, he will enjoy mild exercise. After his skin care routine let him lie naked on a clean pad or sheet on the table. Free kicking and squirming is good for him. At times, mother can help baby raise his knees to his chest, stretch out his arms, or raise them gently.

Bathtime is baby's time and the wise mother treats the time as more than a dirt-chasing session. Baby can learn about life and people by the way he is treated during his bath hours.

snick the second one and there would be a third one and so on until the balloons became very small.

Penelope Ann, to give her full name, is quite a girl.

(Hear Jack Maypole over WJJD at 8:40 a.m. M-F.)

Twenty five acres of farm woodland have added \$1462 to farm income during the past seven years on the Theodore Miesner farm in Washington county, and the woodland is in better condition now than it was when the cutting started.
